

BULLETIN No 18

February 2012

The results of the 2011 Inter-Regional's carried out at our 2011 Interbranch are given below.

The rosettes will be awarded at the parade.

The Inter Regional Competitions were discussed at the AGM and the following was noted:

- Generally our Open section is a problem. We are very weak at that level. KZN was the only Region to actually produce Open teams in Dressage, Equitation and Show Jumping.
- In the Dressage Section we had no Children's open teams at all and the only Junior Open team that was entered was thought by the travelling judge to be not quite up to standard.
- In the Equitation we only managed to field one Children's Open team and one Junior Open team both of which were of a disappointing standard.
- In the Show Jumping two teams were entered but one team was eliminated because the team failed to produce three scores.

The standard of our Novice Competitions was far better. Although the Western Cape was unable to put forward any teams at all due to the AHS outbreak, the other three Regions were reasonably represented in all three disciplines. This level was introduced in order to encourage participation which means that greater leniency is allowed. However, generally, the comments from the travelling judges were far more positive for our Novice section than for the Open section.

We all agree that maintaining our high standard in the Open Classes is very important. At the same time we would like to encourage our members to participate at that level. If any Region or branch can come up with ideas on how to address this problem please share them with us. A while ago the Western Cape held "Regional Improvement Clinics" in the various disciplines; perhaps this scheme should be reintroduced.

Regards

Isabelle Weyer (*Vice-chair*) Pony Club
